Volunteers

Most of the staff at COFFEE&DEEDS are volunteers who have chosen to give time and gifts to COFFEE&DEEDS for a few hours per week or month. Would you like to contribute to COFFEE&DEEDS? We are always open for helping hands, creative minds with new ideas and supportive hearts. In COFFEE as well as in DEEDS you can contribute regularly or selectively, by the hour or on a daily basis.

DEEDS

Welcome to COFFEE&DEEDS

Hirzenbach is a residential neighborhood on the outskirts of the city of Zurich. Many people of different origins live in this quarter. The dense building initiatives are currently changing large parts of the neighborhood. Condensed living and even greater heterogeneity are ideal breeding grounds for growing anonymity and loneliness. This is exactly where we come in:

COFFEE&DEEDS is the idea of an urban village square in the middle of the city. Here people of different origins and social strata meet. We get to know each other, take part in the community, and help each other where desired. We want to promote a living community, by building bridges in the neighborhood, appreciating each other and promoting fostering relationships. COFFEE&DEEDS is an offering of the Reformed Church of Hirzenbach. You can find out more about COFFEE&DEEDS at www.coffee-deeds.ch

COFFEE&DEEDS

A whimsical illustration of a beehive in a tree with glowing honeycombs and bees in a garden. The scene is set in a lush garden with various flowers, including purple and pink blooms, and several bees flying around. A large tree trunk is on the right, with a beehive hanging from a branch. The background is a soft, light blue sky with several glowing, circular honeycombs hanging from the tree branches. The overall tone is warm and inviting.

A staff member begins speaking with a mother who comes to COFFEE& DEEDS as a guest. The mother tells them that her child is being evaluated at school and this is keeping her very busy. The employee understands the situation due to similar experiences with her own child. She is able to give the mother some helpful tips that could be good for her son, and the two exchange ideas on child-rearing. Greatful and smiling, the mother leaves COFFEE&DEEDS.

*A woman comes into COFFEE&DEEDS; close to tears: „I have heard that people are also prayed for. I need prayer.“
A volunteer invites the woman into the next room, listens to her and prays for her.*

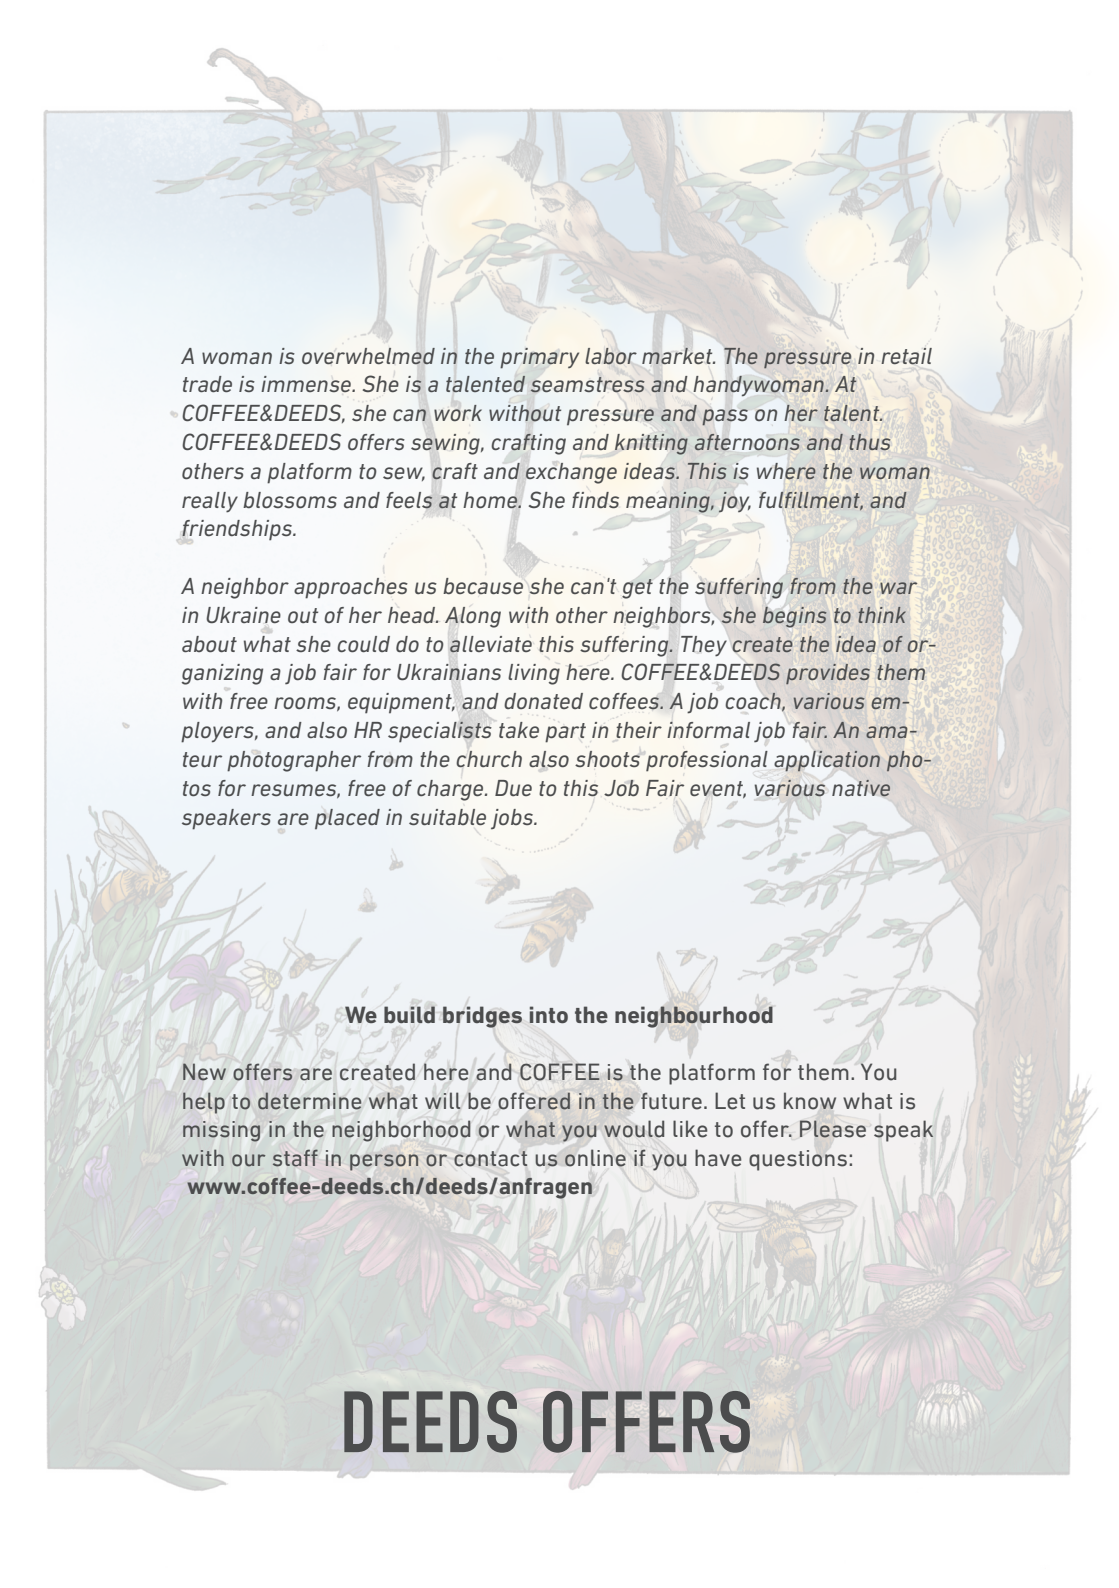

We accept each other - listening and appreciating

COFFEE&DEEDS is a place where everyone can come as they are. Here, you can recharge, take a breath, have real conversations, and find a second family. We want to be there for our guests and employees.

That's why we always have an open ear and are happy to pray not only for you, but also with you. Let us know what you need. Contact us directly or get in touch via email at deeds@coffee-deeds.ch.

DEEDS IN SERVICE

A woman is overwhelmed in the primary labor market. The pressure in retail trade is immense. She is a talented seamstress and handywoman. At COFFEE&DEEDS, she can work without pressure and pass on her talent. COFFEE&DEEDS offers sewing, crafting and knitting afternoons and thus offers a platform to sew, craft and exchange ideas. This is where the woman really blossoms and feels at home. She finds meaning, joy, fulfillment, and friendships.

A neighbor approaches us because she can't get the suffering from the war in Ukraine out of her head. Along with other neighbors, she begins to think about what she could do to alleviate this suffering. They create the idea of organizing a job fair for Ukrainians living here. COFFEE&DEEDS provides them with free rooms, equipment, and donated coffees. A job coach, various employers, and also HR specialists take part in their informal job fair. An amateur photographer from the church also shoots professional application photos for resumes, free of charge. Due to this Job Fair event, various native speakers are placed in suitable jobs.

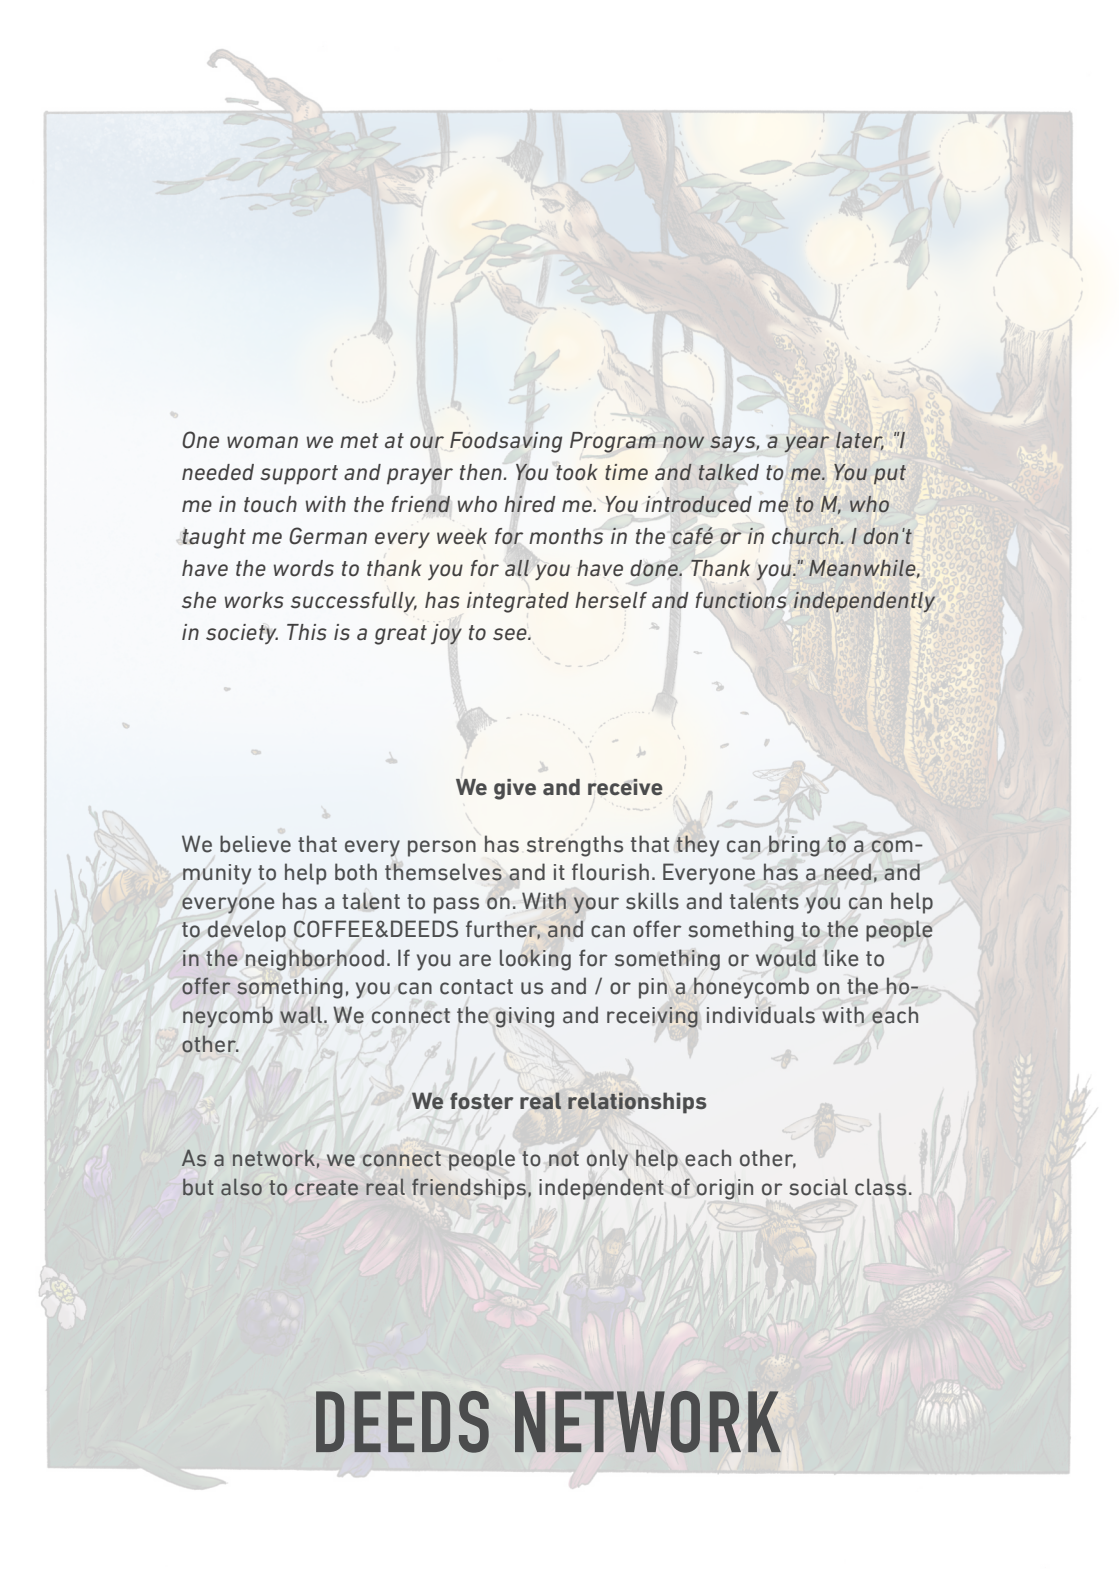

We build bridges into the neighbourhood

New offers are created here and COFFEE is the platform for them. You help to determine what will be offered in the future. Let us know what is missing in the neighborhood or what you would like to offer. Please speak with our staff in person or contact us online if you have questions:

DEEDS OFFERS

One woman we met at our Foodsaving Program now says, a year later, "I needed support and prayer then. You took time and talked to me. You put me in touch with the friend who hired me. You introduced me to M, who taught me German every week for months in the café or in church. I don't have the words to thank you for all you have done. Thank you." Meanwhile, she works successfully, has integrated herself and functions independently in society. This is a great joy to see.

We give and receive

We believe that every person has strengths that they can bring to a community to help both themselves and it flourish. Everyone has a need, and everyone has a talent to pass on. With your skills and talents you can help to develop COFFEE&DEEDS further, and can offer something to the people in the neighborhood. If you are looking for something or would like to offer something, you can contact us and / or pin a honeycomb on the honeycomb wall. We connect the giving and receiving individuals with each other.

We foster real relationships

As a network, we connect people to not only help each other, but also to create real friendships, independent of origin or social class.
